

Accessibility Information

MAP

Access: All buildings are wheelchair accessible.

Rides have specific boarding requirements and accommodations for guests using wheelchairs. Guests may need the assistance from a member of their party to transfer from their wheelchairs onto a ride system in order to fully utilize these attractions.

Please note: Zoo staff are not permitted to physically transfer guests from wheelchairs.

Wild Asia Monorail: Accessible for wheelchairs up to 26" wide. Guests using motorized scooters or wheelchairs wider than 26" (which includes Zoo rental wheelchairs) have the option of being assisted by a member of their party into an appropriate-sized wheelchair (available at the Monorail platform) or, if possible, onto a monorail seat. Please ask a staff member at the entrance for assistance.

Bug Carousel: Accessible for manual wheelchairs.

4-D Theater: Wheelchair accessible by ramp, including motorized scooters. Guests have the option of being assisted by a member of their party into a theater seat. Ask a staff member at the entrance for assistance.

Zoo Shuttle: Wheelchair accessible by ramp, including small motorized scooters. Guests with large motorized scooters may leave their scooters at the Shuttle stop, be assisted on board by a member of their party, and travel round trip. *Zoo Shuttle is closed on Wednesdays in July and August.*

Approximate Distances Between Gates and Exhibits

The distances calculated for this chart are for the easiest access route to each destination, not necessarily the most direct route. Distance is calculated in miles.
